Bringing India's Traditional Village Foods to Global Markets

Our Company

Bounterra Naturals is an Indian handmade food brand rooted in tradition. We follow ancestral village methods — wood-fired roasting, hand-cleaning, sun-drying, stone processing, and zero-machine production. Each batch is crafted slowly to preserve purity, aroma, and nutrition.

Our Tradition

We preserve India's ancient food culture through:

- Wood-fired roasting
- Sun drying
- Water hulling (for sesame)
- Handmade cleaning & rubbing
- Stone-splitting (for toor dal)
- Zero chemicals, bleaching, or polishing

Trace & Assure System

Each export batch includes a QR code that shows:

- Farmer details
- Process timeline
- Batch number & moisture level
- Firewood roasting notes
- Packing & inspection details
